

HEALTH & SAFETY SERVICES

**Contra Costa County Schools Insurance Group
Workers' Compensation and Health & Safety Services Provider**

"Library Services had a fabulous presentation on Body Mechanics today! Thank you so much for making this opportunity available to us. Today we had an opportunity to problem-solve together on safer ways to move books. All staff—the veterans and the new hires—came away with new ideas and all were engaged. We recommend this training highly! "

*-Francie Kunaniec,
Supervisor, Library Services
West Contra Costa USD*

ABOUT CCCSIG: The Contra Costa County Schools Insurance Group (CCCSIG) is a Joint Powers Authority organized in 1977 for the purposes of self-insuring (and self-administering in 1995) for workers' compensation claims and providing health & safety services to its member public school districts.

ABOUT THE DEPARTMENT: The Health & Safety (H&S) Services Department's mission is to provide member districts with a variety of health and safety services aimed at reducing the frequency and severity of injuries in the workplace and improving the overall health of the workforce. The H&S Services staff has a wealth of expertise in the areas of Fitness, Nutrition, Safety, Wellness and Ergonomics.
