WHAT TO DO IF YOU ARE INJURED AT WORK:

If you experience a workplace injury, notify your Supervisor **IMMEDIATELY!**

In the case of non-life threatening injuries, a phone call will be placed by you, and/or your Supervisor, to the Company Nurse hotline at (888) 375-9779 and give Code "CSIG". A Registered Nurse will gather information about your injury and make appropriate medical care recommendations.

If Company Nurse determines that your workplace injury requires medical care, you must be seen by one of the medical providers listed on this panel.

UNLESS, prior to the injury, a Pre-Designated Personal Physician form is on record with the Site/District office.
