

The Right Care, Right Away®

Contra Costa Schools Insurance Group

Information and pricing about US Healthworks Fit for Duty Program Services. On behalf of US Healthworks thank you for considering this program and I am sure it will be beneficial to CCCSIG's school districts and its employees when returning them back to work, after an injury or illness.

Fit for Duty Basic: History review including private physician records, physical exam of injured area or condition to determine ability to return to work. Additional tests may be required at the medical provider's discretion. Level billed is based on provider discretion. Price-\$80.00

Fit for Duty Intermediate: History review including private physician records, physical exam of injured area or condition to determine ability to return to work. Additional tests may be required at the medical provider's discretion. Level billed is based on provider discretion. Usually involves multiple body areas or more than 15 minutes of medical records review and may involve diagnostic testing at additional expense. Price \$105

Fit for Duty-Complex: History review including private physician records, physical exam of injured area or condition to determine ability to return to work. Additional tests may be required at the medical provider's discretion. Level billed is based on provider discretion. Usually involves extensive record review and case coordination with personal physician and will involve diagnostic testing at additional expense. \$130

Functional Capacity Exams: A series of tests measuring physical strength, range of motion, stamina, and tolerance to functional activities, including lifting and carrying. These tests can be used to evaluate work tolerance, and the necessity for work restrictions. Price varies
